

## IMATS TORONTO 2017

### NEW FAST TRACK MOVE IN SYSTEM

In partnership with IMATS Toronto 2017 and Voyage Control, the MTCC is offering you an opportunity to skip the drive to the Marshalling Yard and book a move in time through our online portal.

**The MTCC Voyage Control registration system is available for Move In only on Friday, August 25 from 12:00pm – 7:00pm.**

**If you do not wish to use the online registration process, you must check into the MTCC marshalling yard located at 100/120 Cherry Street.**

If you would like to take advantage of this opportunity to save time and the hassle of navigating through the downtown core, please read on:

The MTCC has introduced a free, fast track reservation system for booking a guaranteed Loading Dock time. We hope that you choose to take advantage of this new system to improve your Move-In experience at IMATS Toronto 2017.

The benefits of registering and booking through Voyage Control include:

- The ability to drive directly to the **South Loading Dock** for your allotted time slot without having to check in at the Marshalling Yard.
- Your online booking will give you a dedicated space and time slot for your vehicle.
- No waiting at the Marshalling Yard; no diversions through the downtown core to reach the Metro Toronto Convention Centre Loading Areas.
- You can schedule a Move-In or Delivery time for of your show items from anywhere, and choose an available time loading convenient for your business demands.
- Receive Up to date communication from the MTCC Dock Staff.

**Move In Registration for IMATS Toronto 2017 opens: Friday, August 11. You will not be able to book a move in time before this date.**
